

CASA ANKARA

Bedrooms: 8
Sleeps: 20
Style: Colonial Mansion

Location: San Carlos
View: Fontline seaview
Suitable for: Everyone whom like luxury and their own Ibiza oasis.

BESPOKE IBIZA

This colonial style mansion is available to rent exclusively with Bespoke Ibiza. Sitting proudly high on the cliffs of San Carlos with frontline seaviews, this exceptional property will intrigue and entice you from the second you set foot through the magnificent carved gates.

The sprawling estate covers a fully landscaped terracotta plot of 21.000 sq.m, and there are many magical mysteries to discover both in the main house and the spectacular grounds. The interiors evoke a real bohemian feel, with carefully selected world-class design pieces and beautiful works of art from around the globe adding to the eclectic, tribal vibe. Luxurious comforts abound throughout from the light filled living space, which looks directly over the glistening turquoise waters and neighbouring countryside to the elegantly equipped bedrooms, all of which are exotically decorated.

You will find the perfect space to entertain your guests with the fully equipped kitchen, complete with LA CORNUE oven and flamberge, a dedicated wine cellar and ice-making machine, which opens onto an exquisite dining space of 29 sq.m which is resplendent with its own private terrace area, making any gastronomic or social experience a dream.

The main house consist of 5 bedrooms on the ground floor, each one as well appointed as the next and complete with an ensuite shower and toilet, with one bedroom boasting its own freestanding bathtub.

Head up to the first floor where you will discover the breathtaking master bedroom which sprawls beautifully over 25 sqm and is decorated in the same enchanting style as the rest of this exquisite property, blending traditional features with African inspired artworks and furnishings and decorations. The ensuite bathroom is complete with a bathtub, shower and toilet, dressing room, and you can enjoy the privacy of your very own outdoor shower and a terrace of 123 sq.m with idyllic views out to sea, the perfect place to enjoy a sundowner.

Down in the basement, a heavenly ensemble awaits you, including a state of the art fully equipped Technogym and a Cybex equipped training room with ensuite shower and toilet.

Take the time to indulge yourself in the beautiful Hammam with light therapy and an ice tube or enjoy a beauty treatment, healing session or massage in the dedicated spa and massage room, a real haven of tranquility.

BESPOKE IBIZA

A further delightful bedroom is located in the basement with ensuite bathroom, and you can also make use of the purpose built Cinema room with 3*2 screen and professional movie theatre sound equipment. A storage and laundry room are also located here for your convenience.

Casa Ankara truly comes into its rightful beauty when you step outside into the lush tropical grounds, which offer a true oasis, a place to really relax and unwind. Lose yourself amidst the unique olive trees, palm alley, a vineyard overlooking the sea, and a little vegetable garden, or simply relax on the Balinese bed hidden away in the vineyard next to a delightful Jacuzzi.

The inviting pool looks directly over the crystal clear Mediterranean waters, and you cannot help but be entranced by the spectacular views, and the pool is on two levels with an environmentally friendly heating and cleaning system.

For those seeking an extra level of privacy, a simply idyllic annex can be found in the garden, just above the pool area. Designed in the style of an African lodge, it has two summer guest rooms, each of them fitted with an ensuite including a copper bathtub and toilet, air-conditioning, it also includes an outdoor shower, a hammock, and a large private terrace. The three summer cabanas are joined by a big terrace. Each air-conditioned cabana has an ensuite shower and toilet, one of them has a wooden bathtub.

Alfresco celebrations, gathering and parties can be enjoyed in the privacy of this magnificent Ibiza villa with a carefully created outdoor dining area of 96m² with a fully equipped professional kitchen and pizza oven perfectly complemented with a stylish outdoor lounge area and dedicated bar located in the fragrant gardens as well as a delightful top hill sightseeing lounge terrace with a breathtaking sea view.

For those with families, there is a kids playground, trampoline, table tennis, and baby pool. Water sports equipment is also available upon request. For your convenience, security and peace of mind, the house is equipped with the latest cameras security system and wifi.

The villa can be rented with the option to include up to 2 boats (the rental price of the boats is not included in the rental price of the villa).
