Especially designed to ensure an unforgettable retreat and ideal for large groups or families, the newly built contemporary property offers 7 delightful suites, 6 inside the main house and 1 annex, ideal for those seeking an extra level of privacy. The many beautiful beaches of the island are also in easy reach as is the capital of Ibiza Town with its glittering array of nightlife venues.

The living areas have been opened up creating a spectacular open plan living dining and kitchen space. The fully equipped Siemens kitchen is complete with a laundry room and is complete with all the modern day appliances you would expect.

Casa Paz is tastefully decorated throughout with an eclectic mix of modern and antique furnishings. Colourful splashes of original artwork, luxurious soft furnishings and the highest quality bespoke fixtures and fittings.

The traditional style and sophistication blends easily and continues through to the sleeping areas, all of which have their own unique and individual character and you cannot help but feel instantly at home when you enter Casa Paz.

The contemporary style flows easily through to the idyllic outside area, where you can soak up the sun or relax in the dedicated chill out areas. An alfresco dining area offers the ideal space to entertain guests from sun soaked breakfasts to delightful starlit dinners.

Take a dip in the elegant pool which is surrounded by luxurious daybeds, the perfect spot to spend an idyllic Ibizan day. Immerse yourself in the natural beauty of your surroundings, with views over the lush green countryside of Santa Eulalia.

Conveniently located close to another one of our favourite rental properties, Villa Serenity, this property is ideal for all kinds of events, and we can of course assist you with all of your event requirements, ensuring your day is nothing less than exceptional.
