CAN VOGUE

A tranquil luxury property, providing privacy at the ultimate top location on Ibiza island. Can Vogue is located in one of the most sought after areas of Ibiza island, Cap Martinet. The exclusive, large and secluded property sits majestically on a hilltop a mere 450 meters away from the sea affording spectacular views over the sparkling turquoise waters and across to the island of Formentera. Can Vogue is a sprawling estate covering a 15000 sqm plot and offers one of the most spectacular outdoor areas and gardens, ideal for celebrations and events.

The dazzling lights of the capital Ibiza Town with its array of decadent dining and dancing destinations are just a short distance away as well as many of the island's most beautiful beaches.

Renovated to the highest standards, reaching the goal of creating a spacious and well designed outdoor space with a green and subtropical garden which is indeed an extension of the interior living space, allowing guests to fully enjoy the year round sunshine which Ibiza gifts us with. Large lawn terraces extend the pool terrace and lead to additional dedicated chillout areas and a spacious and covered outdoor dining area with a designer outdoor kitchen which can cater for up to 24 people dining outside.

These vast, spacious and thoughtfully designed outdoor spaces offer unlimited potential to host unforgettable events or simply spend time with friends in an ultra luxurious environment. Complete with a fantastic outdoor sound system, three speaker zones with a total of 30 speakers and 3 subwoofers, let the music take you seamlessly from the patio to the pool terrace.

The moment you enter Can Vogue, you cannot help but be enthralled by the sheer glamour which emanates throughout the entire villa. Furnished and equipped to the highest standards with automated floor to ceiling sliding doors, Bang & Olufsen speakers and TVs, contemporary designer furniture from Vitra, B&B Italia, Minotti, Heerenhuis and many more. Wall mounted iPads control more than 40 light zones within the villa and 50 outside, all at the push of a button. The interior design and carefully selected materials are simply breathtaking, and in the expansive living areas you can enjoy spectacular seaviews.

Of course there is a large dining and cooking area, perfect to socialise with your family and friends. The 65 square meter kitchen and dining area is equipped with the very best appliances and again from here you can enjoy the views over to Formentera.

Can Vogue offers six bedrooms, all beautifully equipped and furnished to the very highest standards. The 70 sqm master bedroom with its open space bathroom and a large italian designed dressing room are the house's highlight. It is located on the top floor of Can Vogue and has a large 100 sqm terrace. Through the large master bedroom and bathroom windows, immerse yourself in the surrounding seaviews.

Five additional luxurious and beautifully designed guest bedrooms allow you and your friends to enjoy a beautiful stay on the White Island. Besides the spectacular master bedroom, Can Vogue offers 5 additional luxurious and beautifully designed bedrooms, all between 15 and 30 sqm large. All guest rooms have direct access to the different large pool terraces, four of the guest rooms offer a direct and spectacular sea view. Three of the guest bedrooms have a custom made walk-in wardrobe and all of the bedrooms are connected to the central air condition and can be individually cooled or heated. All the guest room windows are equipped with automated and inbuilt blackout shutters. All guest bedrooms have individual WiFi access points to ensure high speed connection to the villa's fiber optic internet access. All rooms are connected to the villas home automation system, and Satellite TV infrastructure.
