AREA

The closest beach from Palacio Salomon is Cala Carbo, a small yet inviting beach complete with loungers and restaurants, a real hidden gem. The waters here are crystal clear and the rocky coastline which surrounds the beach is a great opportunity for kids to scramble over, whilst fishing off the small jetty can also be enjoyed. Good moorings are available for private boats.

There are two very popular restaurants offering traditional cuisine, especially seafood and paella; Chiringuito Playa Cala Carbo and the newer addition La Sardina Loca ('The Crazy Sardine').
