This stylish property is a masterpiece of modern design, recently built in 2019 and perfectly located in the tranquil north of the island just 2km from the renowned bay of Benirras, famous for its bohemian vibe and spectacular sunsets. This sprawling plot covers 50,000 m<sup>2</sup> of which 15,000 are fenced, and with the house itself measuring 600 m<sup>2</sup> and terraces of 700 m<sup>2</sup> approx, giving a great sense of space and freedom and natural beauty, being surrounded by fragrant forests.

The living areas are bright, spacious and flooded with natural light, and have been exquisitely designed, perfectly blending contemporary chic with traditional features such as the wooden beamed ceiling, adding an authentic ambience. A fully equipped modern kitchen is complete with all the appliances you could wish for, and is ideal for catering for guests.

The four bedrooms are equally enchanting and all decorated to the same superior standard, with ensuite bathrooms, and each room is well appointed with luxurious linens, towels and toiletries for your convenience and comfort.

Step outside into the grounds of Cana Maria and immerse yourself in the beauty of the nature which surrounds you, the fragrant pine forests and the views over the surrounding countryside and over to the coastline. Here, you can swim in the large rectangular pool, seek shade in one of the dedicated chill-out areas or soak up the sun on one of the ample sunloungers.

A dedicated alfresco dining area complete with BBQ and outdoor wood oven provides an idyllic spot to host gatherings and celebrations with friends and family, with a magnificent carved wooden table providing the perfect conversation point. The gardens have been delightfully designed and are maintained at the highest standard, with an abundance of tropical plants, trees and flowers filling their air with their natural fragrance.

Cana Maria is an idyllic Ibiza holiday home, perfectly located.
